HOSPITAL
INCIDENT COMMAND SYSTEM (HICS)
AWARENESS TRAINING

Tuesday, May 15, 2018
8:30 AM – 12:30 PM
South Central College
(Conference Center)

"FREE" of charge
Funded and sponsored by the South Central Healthcare Coalition

Training provided by South Central College

Objectives:

- Identify the key principles of NIMS in the context of healthcare.
- Name the functions and purpose of a MultiAgency Coordination Center.
- Compare how NIMS and HICS affect how healthcare prepares for incidents and events.
- Recognize the concepts and principles of resource management under NIMS & HICS.
- Identify the benefits of common communication and information management standards.
- Name the four (4) phases of comprehensive incident management.
- Name the order in which the Hospital Incident Command System (HICS) is usually activated.
- Select the appropriate span of control for any leadership position in HICS.
- Identify the role of the Incident Commander, Command Staff, & General Staff.
- Identify the purpose of the Incident Briefing.
